

DIHAG HOLDING GmbH appoints Silvio Stockmann as CRO

Performance-oriented, operative transformation of DIHAG Gruppe through CRO und PMO Services

Effective 15. September 2020, DIHAG Holding GmbH, a leading, integrated iron and steel group for wind power, railway technology, conveyor and agricultural technology as well as mining and safety, have appointed Silvio Stockmann as CRO and CFO and Mr. Alexander Tschackert as PMO.

Following the decline in demand in wind power, the group of companies had to be realigned and transformed in terms of performance and operations.

The Strongfield team, together with CEO and Managing Director, Viktor Babushchak, will lead the operational and strategic turnaround and implement a transformation program to grow sales, EBITDA and cashflow of the group for lenders, credit insurers and shareholders.
